CERTIFICATE

OF COMPLETION

This certificate is presented to

Phone Htet Myat

Has successfully completed the requirements for

Applied Data Science *Specialization* course at Dataversity Myanmar in August, 2024.

Machine Learning

Linear and Logistic Regression, Naive Bayes, Decision Tree and Random Forest, Kmeans

Deep Learning

Neural Networks fundamentals, Recurrent Neural Network, Convolutional Neural Network

Model Evaluation and Optimization

Regularization, Overfitting and Underfitting, Model Optimization and Model Evaluation.
